APPLYING FOR GCT DEFERMENT

In our continued efforts to improve the quality of service delivery, Tax Administration Jamaica (TAJ) has embarked on a project to make the process of *doing business* with us that much easier. To this end, customers with eService access to our Enterprise Portal can now make an application for GCT Deferment online.

In accordance with Section 42 of the General Consumption Tax Act, a "Registered Taxpayer" can make an application for the deferment of General Consumption Tax in relation to the importation of specific goods.

To submit an Application for GCT Deferment online, the customer must be registered under the General Consumption Tax Act and have an e-Service account. If the customer does not have access to e-Services they must submit a request to TAJ to create an e-Service account. See **Apply for an e-Service Account** guide on TAJ's web site <u>www.taxadministrationjamaica.gov.jm</u>.
